Dear Sir

**APPLICATION TO RESTRICT ACCESS TO BUFFALO AND NIGER ROADS EMMARENTIA**

I am currently acting in the place of the Ward Councillor for Ward 88 as the elected Ward Councillor for the ward, Cllr Nick Lorimer, resigned with effect from 7 January 2018 and a new Ward Councillor is yet to be elected. I am, however, a PR Councillor in the City, having been elected in the Local Government Election in 2016.

I have perused the application for the restriction of access to Buffalo and Niger Roads, Emmarentia which fall within Ward 88 of Region B of the City of Johannesburg, and, in particular, the traffic assessment report of the consulting engineers, Mariteng Consulting Engineers. It appears that the criteria which are critical in regard to the approval of security closures have been met and I support the application.

If there are any queries, please do not hesitate to contact me.

Yours sincerely

Councillor Andrew Marais
