

LIEFDE BY DIE DAM

8 July 2026

To Whom It May Concern:

As you live in close proximity to Emmarentia Dam we would like to inform you that we will be hosting an event, Liefde By Die Dam on 1 August 2026 from 08h00 to 18h00 at the dam. Sound checks will be conducted intermittently on 30 and 31 July 2026.

We have booked out parking at Roosevelt High School and encourage attendees to utilize these bays and not listen to illegal guards by making the parking free and advertising them on social media.

We will also have a task force chasing away illegal car guards to keep the roads as uncongested as possible.

An acoustic engineer will be on site for the duration of each show. He can come to your house to test the sound levels to ensure that we are within the legal limit should you request this. To contact the acoustic engineer please do so via the VOC: 083 666 1636.

If you have any issues, please rather send me an SMS/Whatsapp and I will try to deal with them in a timely manner.

Have a great day.

Thank you.

Kind regards,
Sophie Henderson
