MAP OVERVIEW OF THE ROUTE:

Figure 1: Jozi Zone 3 Marathon Routes [42km = red 21km = blue 10km = yellow 5km = green WP = Water Points]

ROUTE CONTROL:

120 JMPD Officers will be deployed and 203 Marshals will be responsible to manage access of cars and ensure the safety of runners. The rule is that cars have right of way, except for the duration where the majority of the race field passes through an intersection, as crowd control is not enforceable by these officials.

ROAD CLOSURES:

The following temporary road closures will be enforced for management of the **start of the race** and access will be restricted from **05h00 to 07h00 on 7 September 2025:**

1. Orange Road closed (05h00 to 07h00)
 - a. Buffalo Road

Three temporary road closure will be enforced to manage runners for the **duration of the race** and access will be restricted from **05h00 to 12h00 on 7 September 2025:**

1. **1st Avenue** (05h00 to 12h00) closed
 - a. At 13th Street
 - b. At 5th Street
2. **Olifants Road** (05h00 to 12h00) closed
 - a. At Louw Geldenhuys Drive
 - b. At John Mackenzie Drive
 - c. At Notwani Road
 - d. At Levubu Road
 - e. At 5th Avenue
 - f. At Thomas Bowler Street / Levubu Road
3. **5th Avenue** (05h00 to 12h00) closed
 - a. At John Mackenzie Drive
 - b. At Preller Drive

Access Passes will circulated digitally on the relevant Ward Councillor and Residents WhatsApp groups and via Email Notifications or may be requested from the Race Organiser via the following:

- 065 692 1559
- events@runzone.co.z

WATER POINTS:

There are 10 water points along the route, 8 of these will serve the runners on both laps of the 42km route. Locations are as follows:

- Water Point 1 – 13th Street, Victory Park
<https://maps.app.goo.gl/7iatF34fAX8UPFMRA>

WASTE MANAGEMENT:

The clean-up of the Jozi Zone 3 Marathon is being managed by the approved Event Waste Management Plan, submitted as part of the JOC Requirements. Each water point, the venue and surrounds, as well as the entire route will be traversed by vehicle and personnel to collect all waste generated as a result of the race.

However, please note that the race is a double lap and therefore cleanup only occurs from after the last runner and the entire remainder of the day is required to complete clean-up.

Kind Regards,

Events Team
